Foreword

With the passing of time, the echoes of our school life will grow fainter and fainter and then die away. Gone forever will be the routine of school life, the fun we had and the friends we made. It is the hope of the 1954 Warrior staff that, as you glance through this book in years to come, you will recapture those moments and the echoes will begin again.

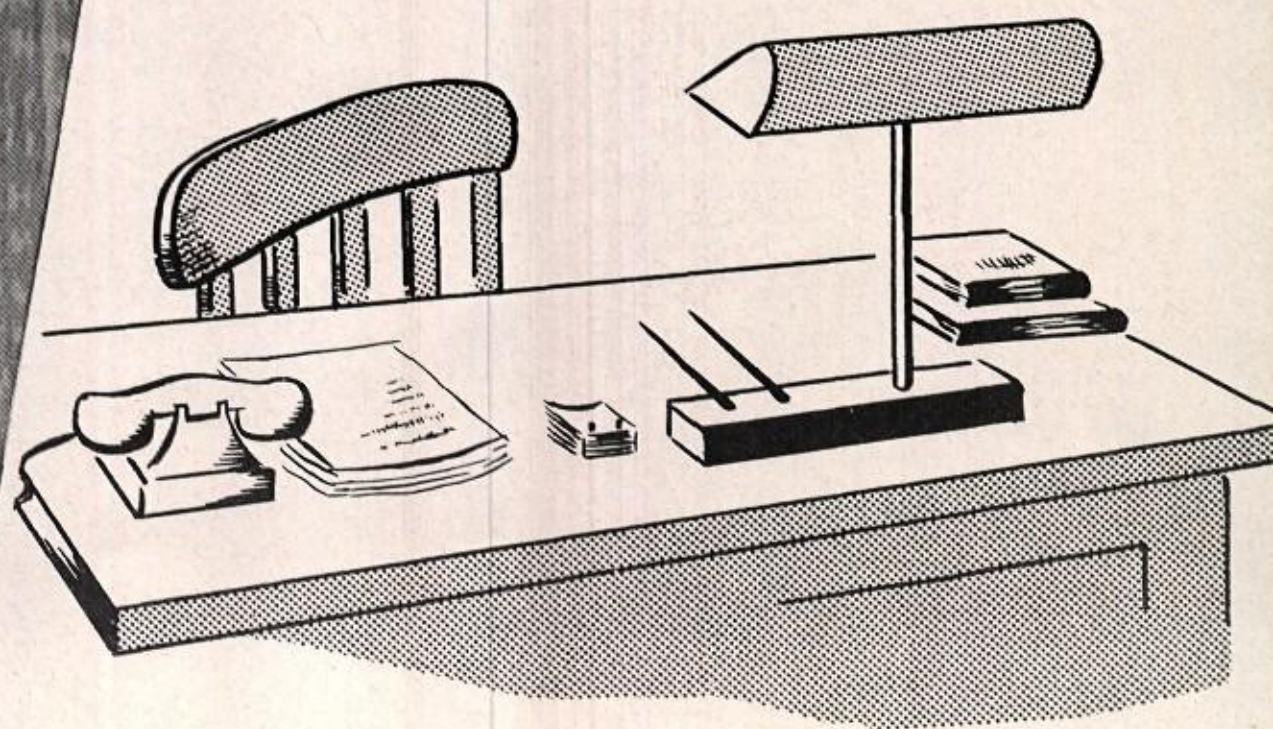

WISCASSET HIGH SCHOOL
Wiscasset, Maine

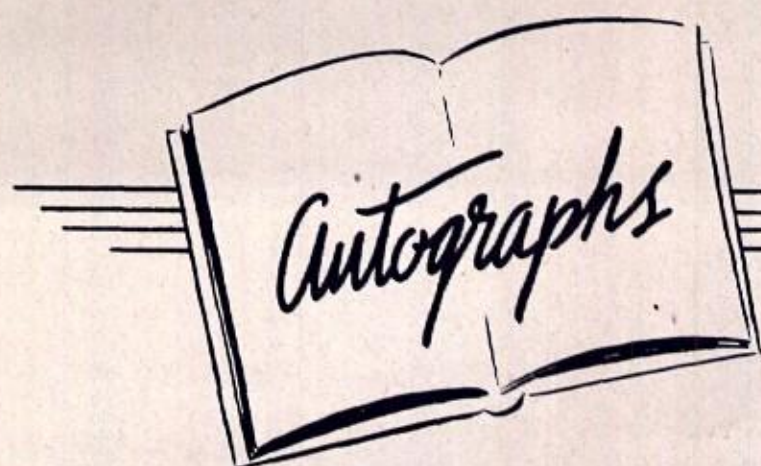

We, the senior Class of Wiscasset High School, wish to dedicate our yearbook to Marjorie Calnan, a former classmate of ours, who passed away on April 12, 1952. Her loyalty and friendship have been greatly missed by her classmates.

CLASS ODE

Tune-Now Is The Hour.

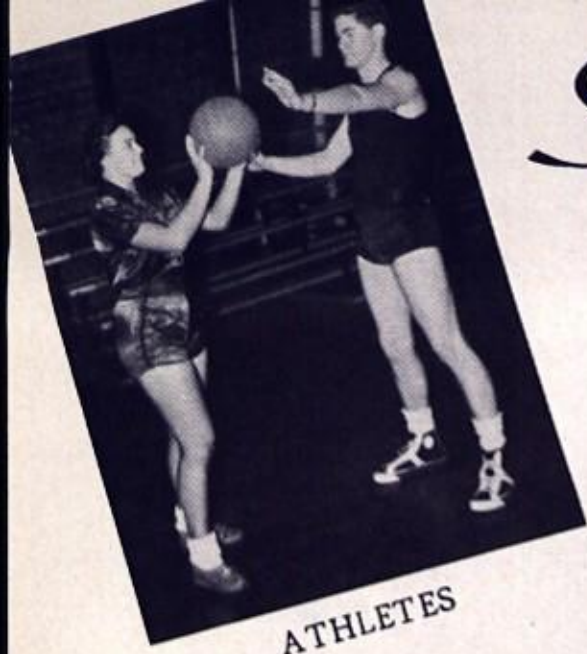

We are now leaving our school
Soon we will be far apart.
Now we say farewell to you
As these words come from our Heart.

For now is the time when we
Must say Good-bye. Soon we'll be
Leaving dear Wiscasset High.
When we depart our joys and
Friends remain.
Though we seem sad we have
Our goals to gain.

We all look into our palms
Reading our future which lies there
It reads that things are all calm
Things which with luck we will bear.

Senior Class Play

The annual Senior Class Play was presented by the Class of '54 on November 13th in the Wiscasset Gym. The play was a 3 act comedy called Salad Days. The cast was composed of eight Seniors who did an excellent job. Special credit is due to Mrs. Wilson, Mrs. Witham, and Mrs. Thompson for without their time and patience the play would have been difficult to present.

Former Wiscasset resident, Joseph Bailey, leaves money to be used on schools, and the School receives a benefit.

Mr. Bailey of Braintree, Massachusetts, gave to W.H.S. the sum of \$60,000.

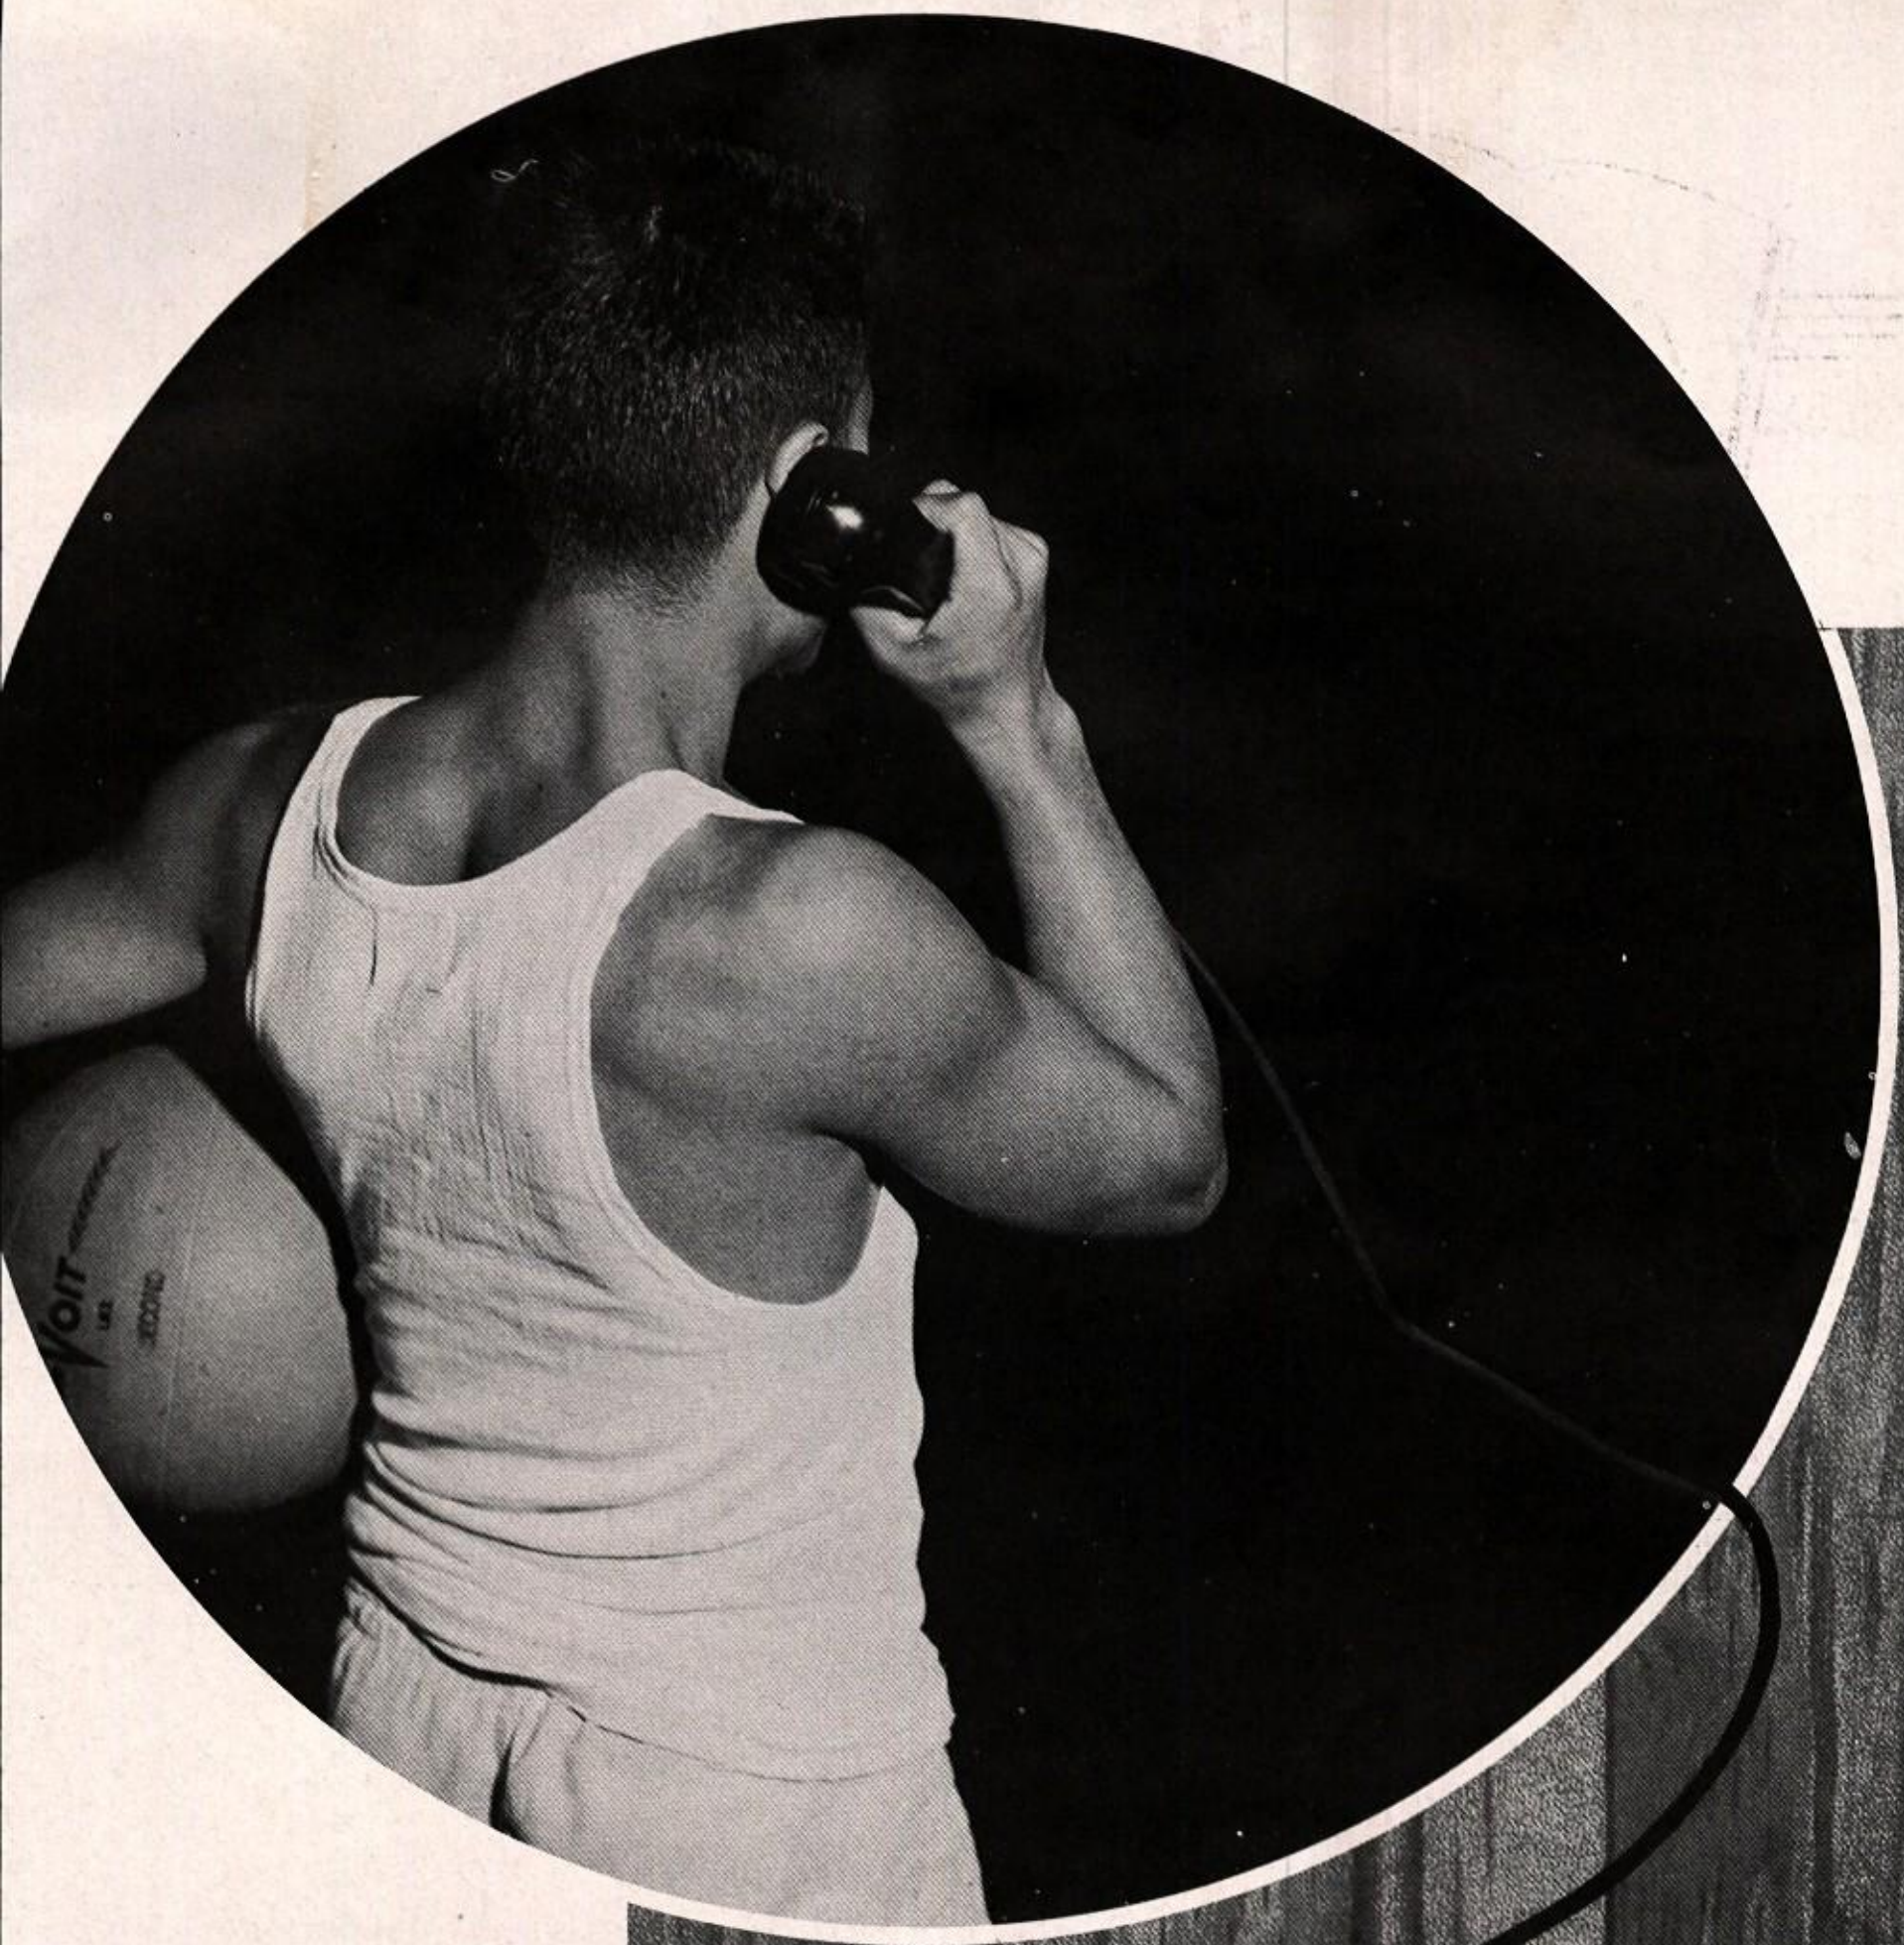

The program was composed of an all student participation. There was a maximum crowd at the show which was held in the Wiscasset Memorial Gymnasium.

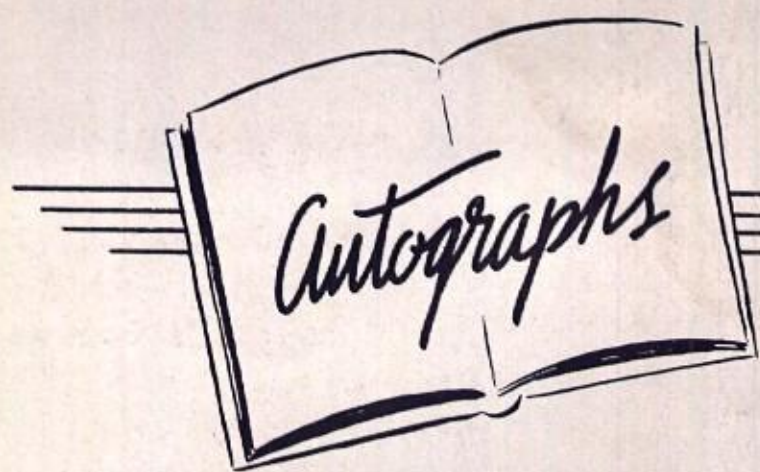

Mr. Bailey's purpose of the fund is to improve instruction and establish additional courses in the High School. The High School students appreciate the generosity of Bailey. The money will be very helpful.

Bernard MacFadden, carrying his first aid kit is a familiar sight to all who attended basketball games. He plays the role of Doctor and Nurse-maid to players who need rubdowns, ankles strapped and heat treatments for lame muscles.

The day before the photographer came Dick Colby sprained his ankle; so this is where he was when the yearbook pictures were taken.

The activities he participated in were as follows: Junior Class President, Hi-Y secretary, Outing Club, Dramatic Club, Glee Club, Cabaret, Double Quartet, Editor of the Spotlight, Varsity Basketball, Baseball, Junior Reporter for the News, and Junior Editor of the "Warrior."
